

Day 1 · Meet nk. Show this slide while students get ready: booklet (Lesson 3.2 · Day 1), whiteboard, marker.
Materials: nk sound card, chunk cards ink / ank / onk / unk, letter tiles, whiteboards.

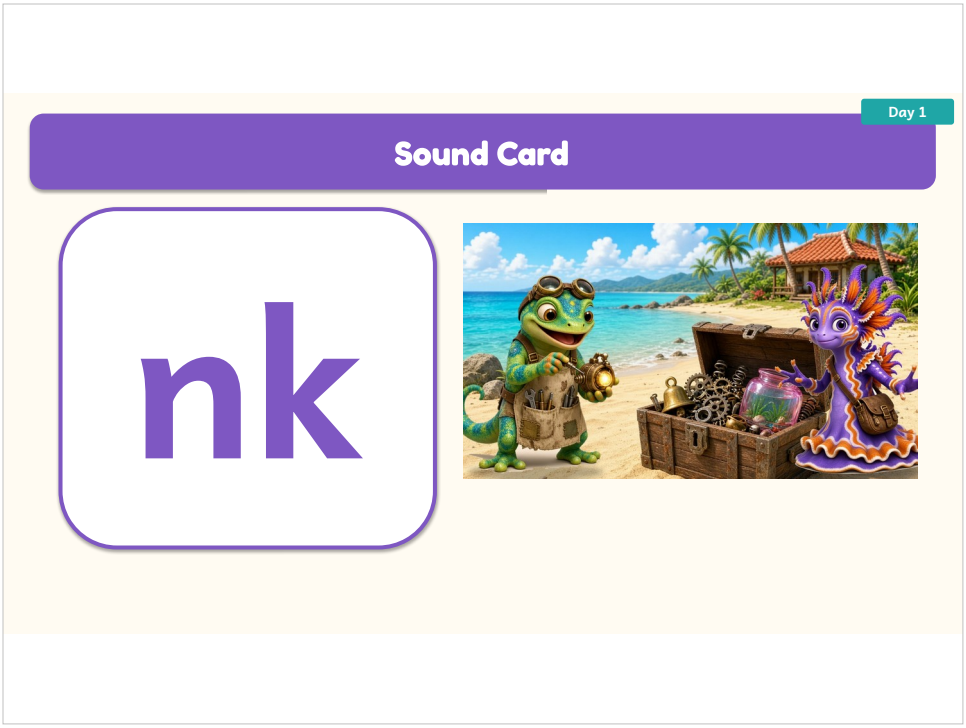

GET READY (1 min). SAY: 'Today we meet a new team: n and k. Together they make nk. You will hear it in ink, ank, onk and unk.' Goal for today: hear nk, read the four glued chunks, and read nk words.

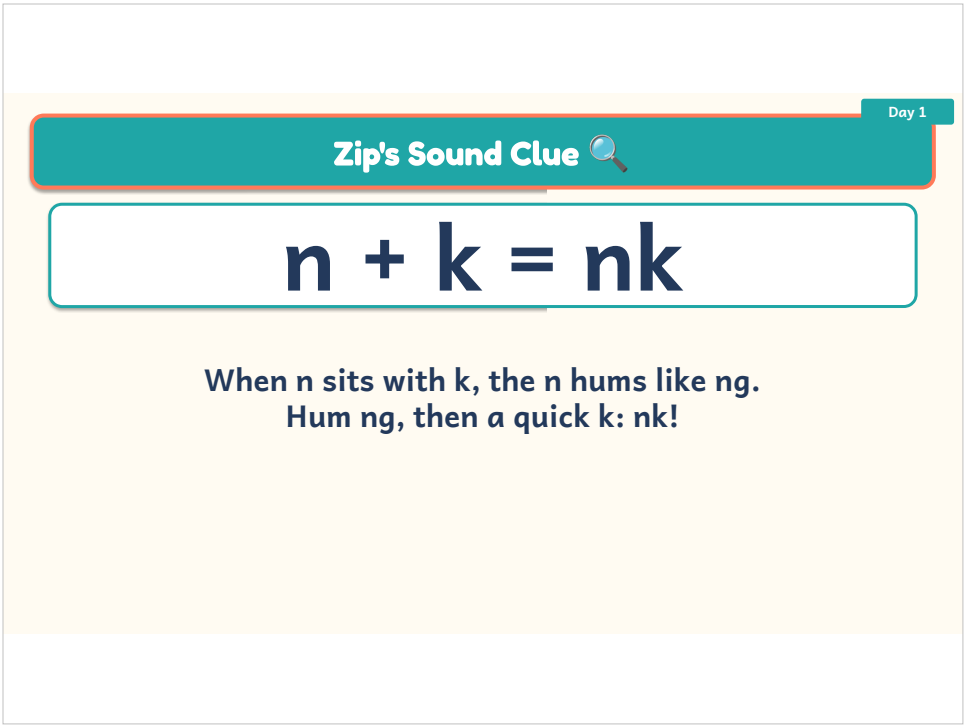

Meet our friends (30 sec). SAY: 'Zip the gecko and Frill are back! They will help us read nk words this week.'
Point to each name. Students read: Zip, Frill.

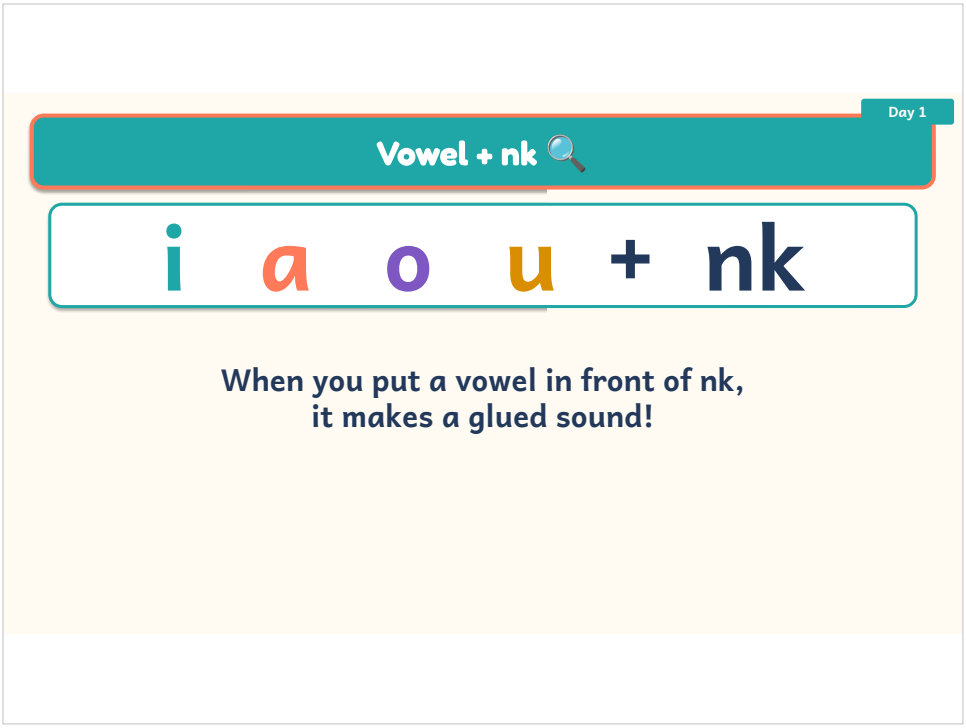

WARM-UP (3 min) · Review ng and our digraphs. Two letters, one sound.
I DO: point to each header and say the sound: /sh/, /ch/, /th/ (quiet and buzzy), /ck/, /wh/, /ng/.
WE DO: say each sound together, then read the two words under it.
YOU DO: call on students to read one column each.
ERROR FIX: if a child says each letter (s-h), cover one letter: 'Two letters, one sound: /sh/.' For ng: 'Back of the tongue up, hum in your nose.'

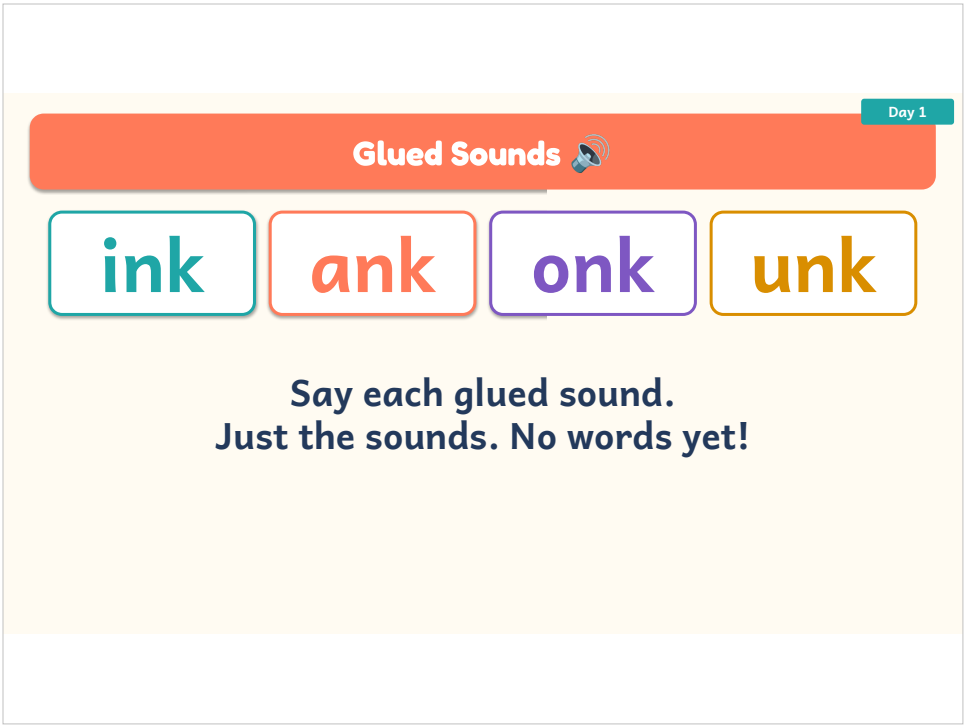

I DO · Sound card (2 min). SAY: 'This is n and k: nk. When n sits in front of k, the n hums like ng. Then we add a quick /k/.'
Model: 'ng... k: nk.' Hold the hum, then a short click.
WE DO: say nk together 3 times. Hand on your throat: hum, then click.
ERROR FIX: if you hear a plain /n/ + /k/, say 'Back of the tongue goes up first, hum like ng, then /k/. My turn, your turn.'

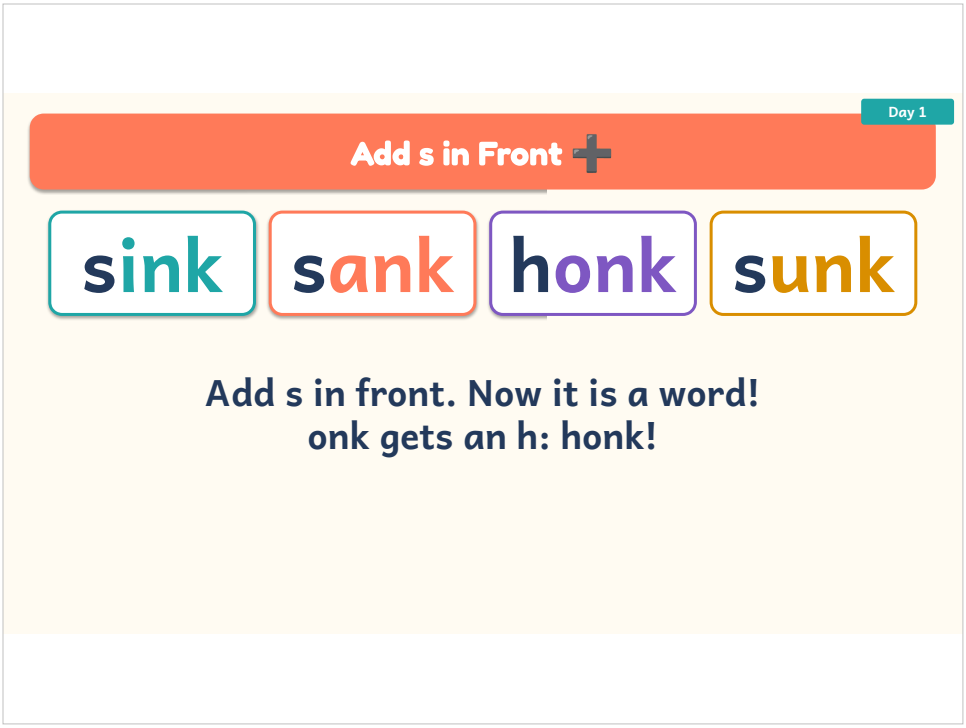

Zip's Sound Clue (1 min). I DO: read the clue. 'n + k makes nk. The n hums like ng, then k pops at the end.'
WE DO: everyone says the clue: 'Hum ng, then a quick k: nk!'
ERROR FIX: if students say 'en-kay', smile and say 'Those are the letter names. Say the sound: nk.'

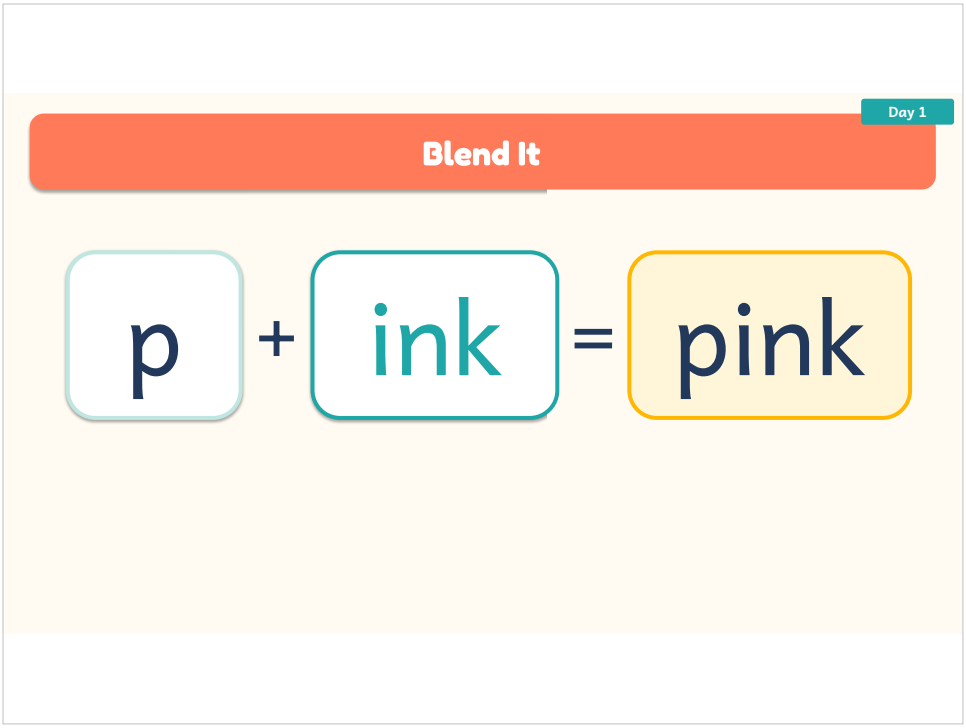

I DO · Vowel + nk (1-2 min). SAY: 'nk almost always has a vowel in front. The vowel and nk stick together like glue. We say them as one chunk.'
Point to i, a, o, u. 'These vowels will be our four glued sounds.'
WE DO: students say 'Vowel in front: glued sound!' and clap once.
ERROR FIX: if a child starts reading words, say 'Sounds only for now. Words come next!'

I DO / WE DO / YOU DO · Glued sounds only (2 min). Order: ink, ank, onk, unk.
I DO: 'i in front of nk: ink.' Echo. 'a: ank.' Echo. 'o: onk.' Echo. 'u: unk.' Echo.
WE DO: say all four together twice, then point out of order.
YOU DO: each student says the chunk you point to.
ERROR FIX: if a child splits it (i-n-k), sweep your hand under the box: 'Glued! My turn: ink. Your turn.' If ank and unk get mixed, point to the vowel first.

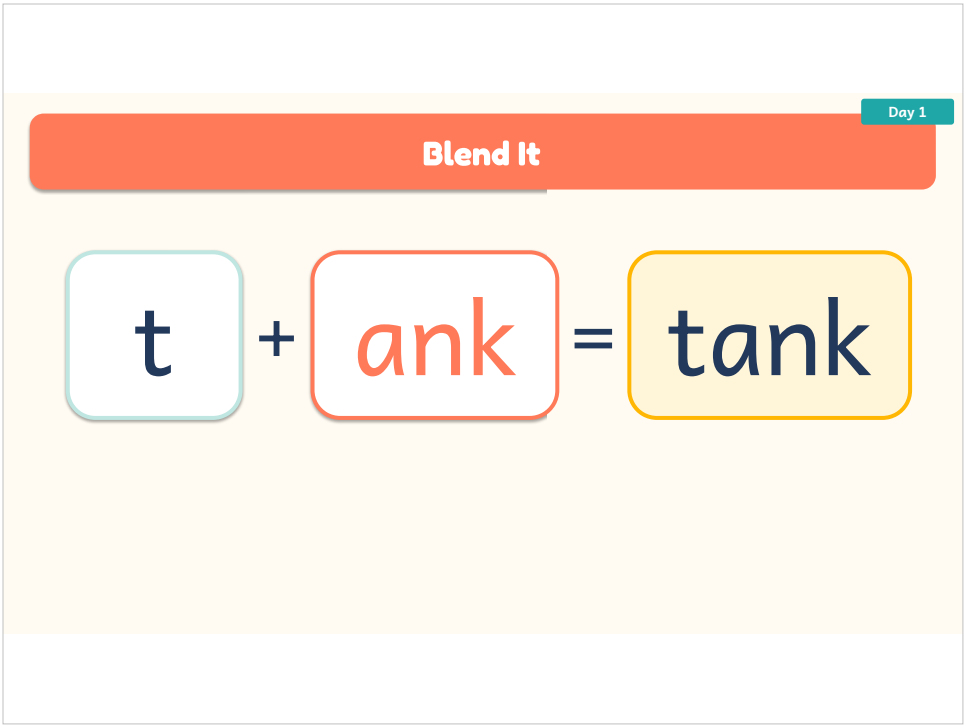

I DO / WE DO / YOU DO · Add a letter in front (2 min).
I DO: '/s/ ... ink ... sink!' Sweep under the word. Then sank and sunk.
SAY: 'sonk is not a real word, so onk gets an h: /h/ ... onk ... honk!'
WE DO: read all four together. YOU DO: point in random order; students read alone.
ERROR FIX: if a child reads sink for sank, cover the s: 'What glued chunk? ank. Add /s/: sank.'

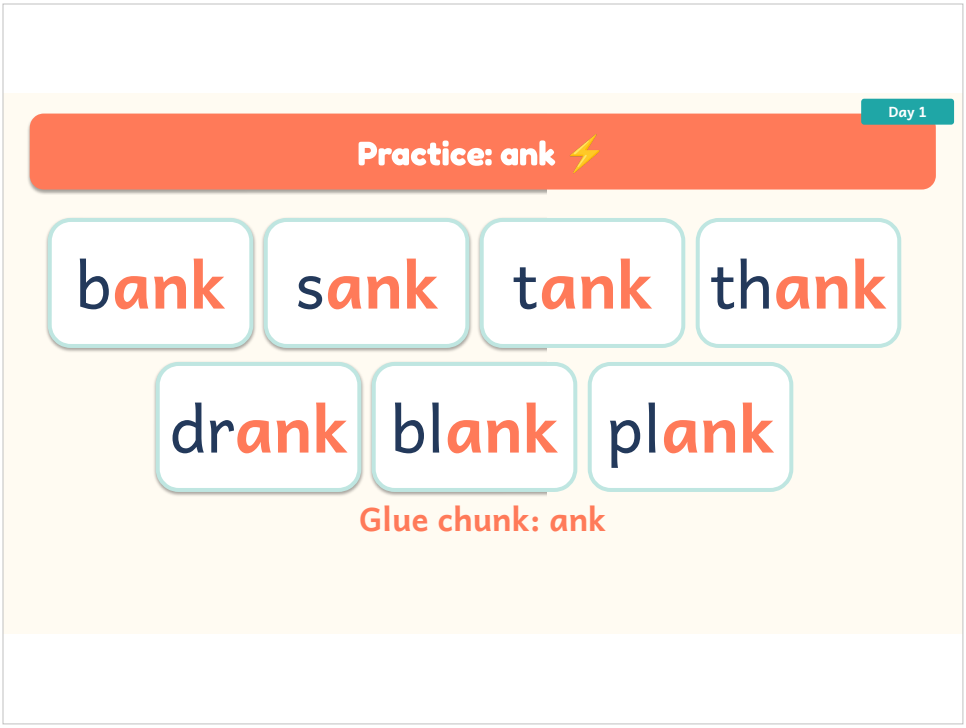

I DO / WE DO · Blend it. '/p/ ... ink ... pink!' Slide your hand under the p, then the chunk, then sweep the whole word.
YOU DO: students blend it 2 times alone.
ERROR FIX: if they say 'pin-k', say 'Keep ink glued: p ... ink. pink.'

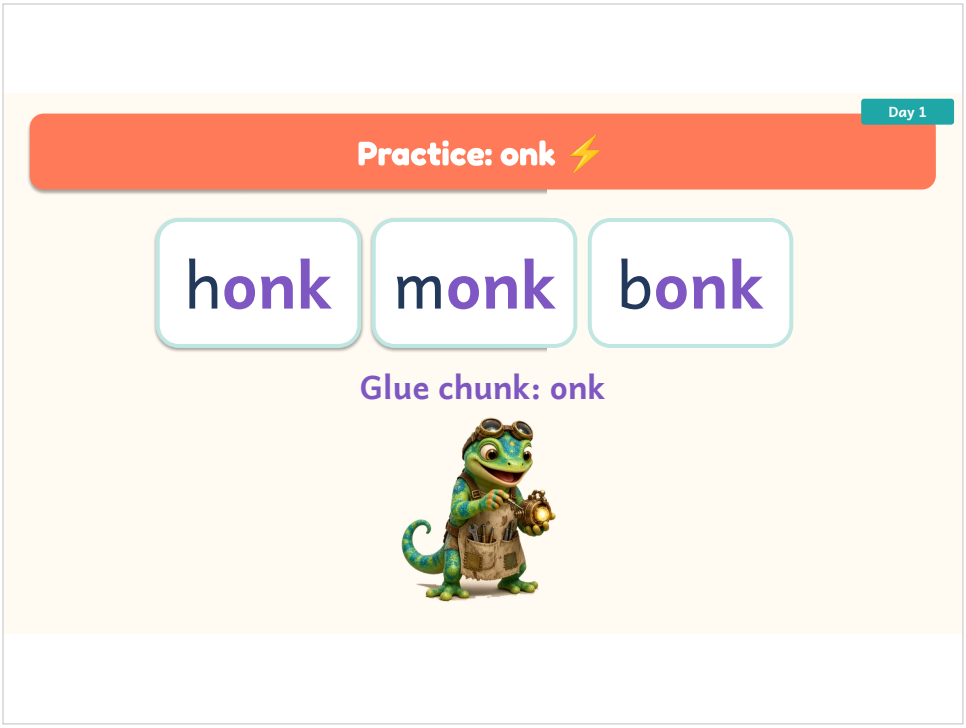

Practice ink (2 min). I DO: read pink. WE DO: read the row together. YOU DO: go around the group, one word each.
Tip: find the glued chunk first, then add the front sound.
ERROR FIX: for drink and blink, cover ink, blend the two front sounds (dr, bl), then add ink.

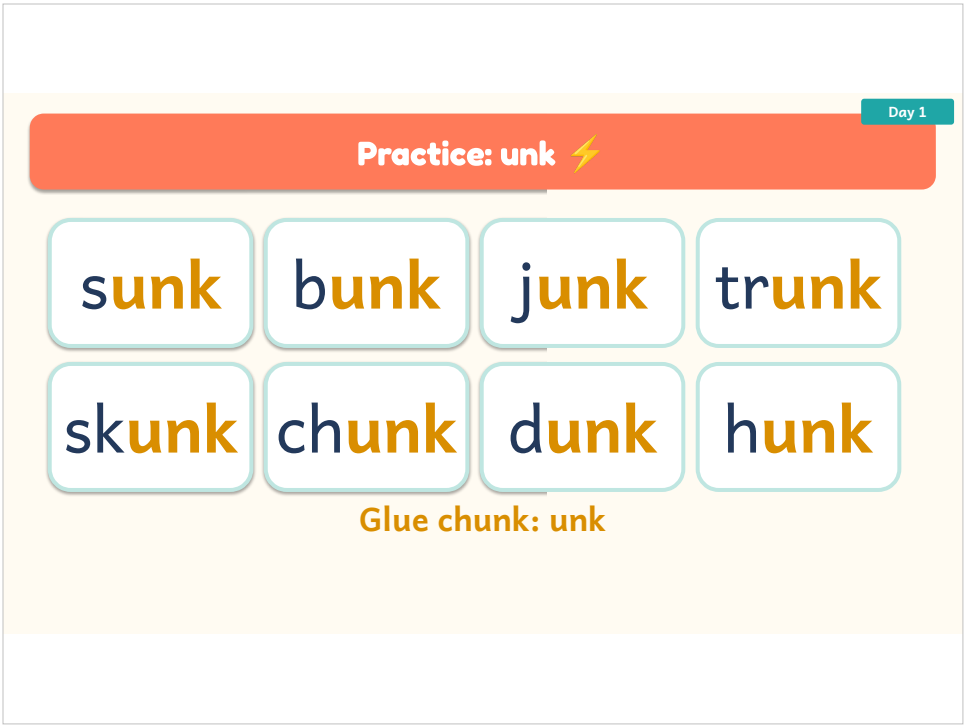

I DO / WE DO · Blend it. '/t/ ... ank ... tank!'
YOU DO: students blend tank alone, then change t to b: bank.
ERROR FIX: if a child says 'tan-k', say 'ank is glued: t ... ank. tank.'

Practice ank (2 min). I DO: read bank. WE DO: read each word together. YOU DO: one word each.
thank starts with th (quiet th). drank, blank and plank start with a blend: say the blend, then ank.
ERROR FIX: point to the vowel: 'a in front: ank.' Then re-blend.

Practice onk (1 min). SAY: 'onk is in only a few words. Here are three: honk, monk, bonk.'
WE DO: read them together. YOU DO: each child reads one. Ask: 'What says honk?' (a car horn, a goose).
ERROR FIX: if they read hunk for honk, point to the o: 'o in front: onk.'

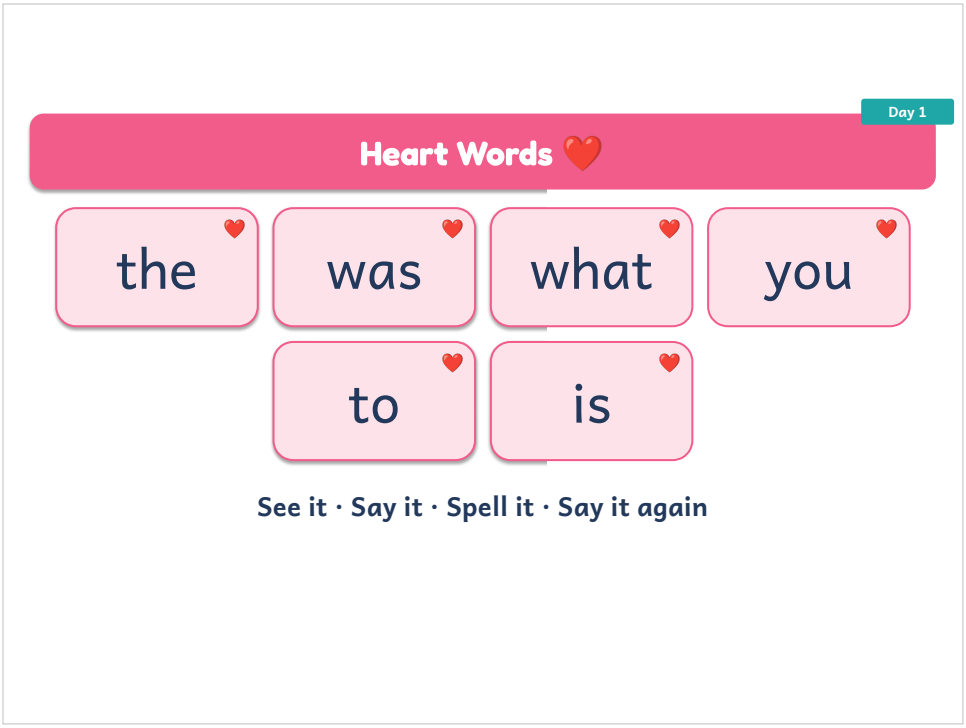

Practice unk (2 min). I DO: read sunk. WE DO: read each word together. YOU DO: one word each.
trunk and skunk start with blends; chunk starts with ch.
ERROR FIX: if a child reads sink for sunk, point to the u: 'u says /u/: unk. sunk.'

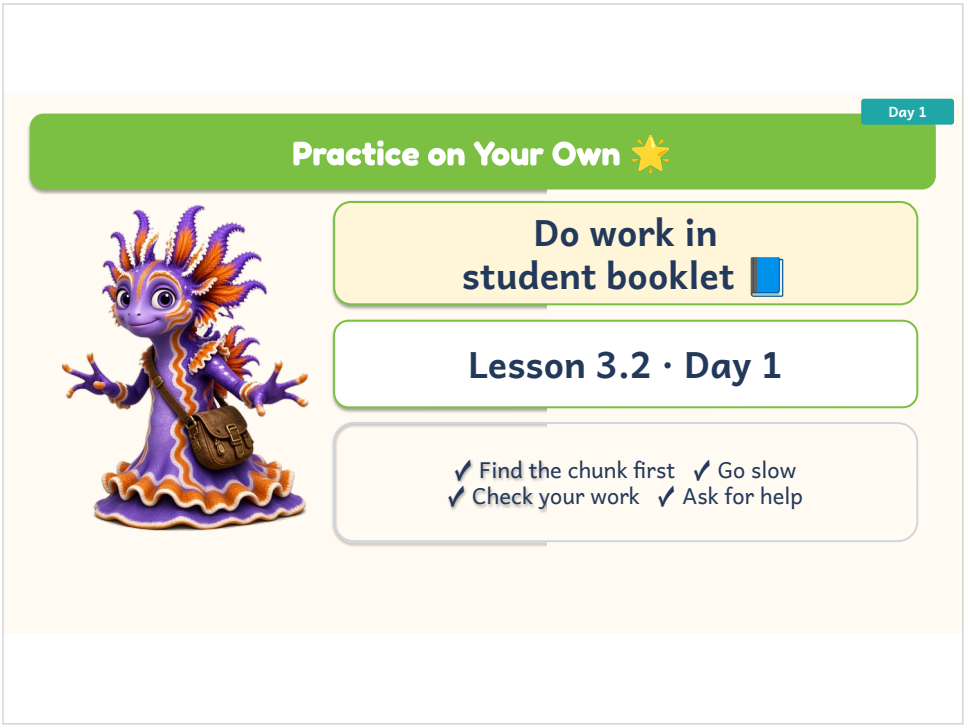

WE DO · Mixed practice (2 min). Point to each word. Students find the glued chunk, then read the word together.
Read the row 2 times; second time a bit faster.
ERROR FIX: tap the vowel and ask 'Which glued chunk?' then re-blend.

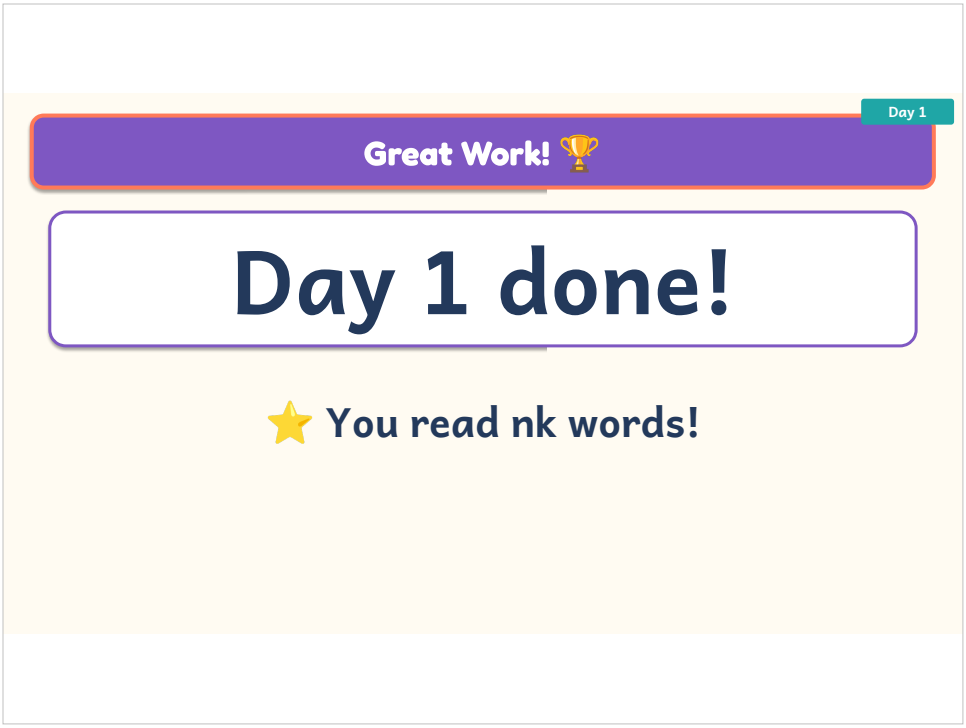

YOU DO · Mixed practice (2 min). Call on one student per word. Others whisper-read along. thank: remind 'quiet th'.
ERROR FIX: same steps: vowel first, glued chunk, front sound, whole word. Praise the effort: 'You found the chunk!'

Heart words (2 min): the, was, what, to, you, is.
For each word: SEE IT (point), SAY IT (students echo), SPELL IT (tap each letter), SAY IT AGAIN. Draw a heart over the tricky part. The rest of the word follows the rules.
Tricky parts: e in the; a in was and what says /u/; o in to says /oo/; ou in you; s in is says /z/.

PRACTICE ON YOUR OWN (5-8 min).
Students open the student booklet: Lesson 3.2 · Day 1.
Walk the room. Remind them: find the chunk first, go slow, check your work, ask for help.
Note students who still split nk (n + k) for a re-teach tomorrow.

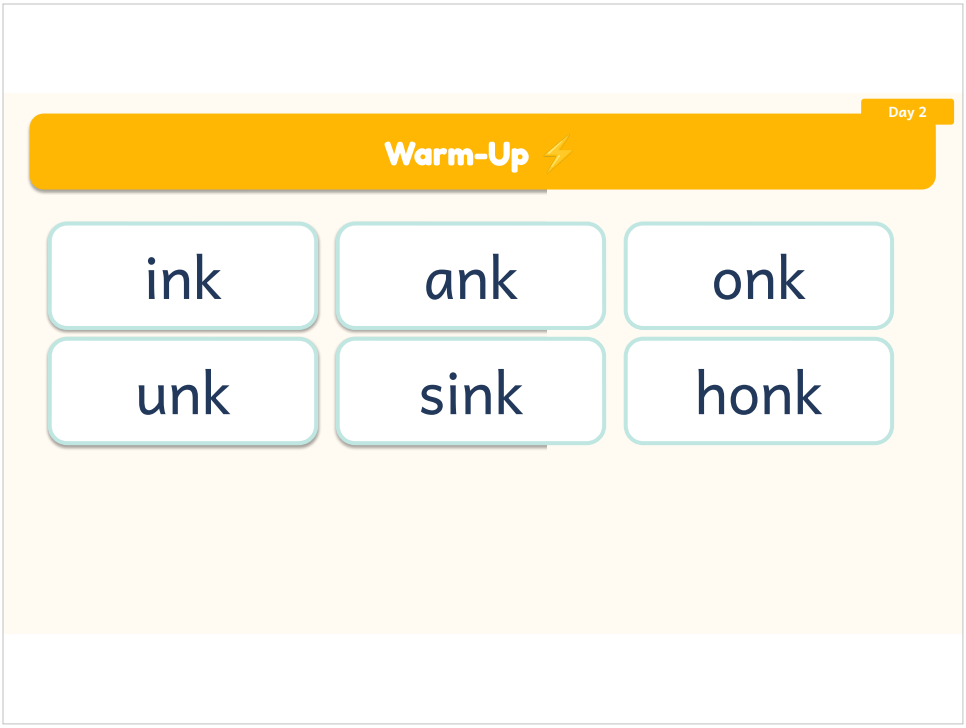

GREAT WORK (1 min). SAY: 'You met nk today! You read ink, ank, onk and unk words.' Name a real effort you saw: 'You found the glued chunk every time.'

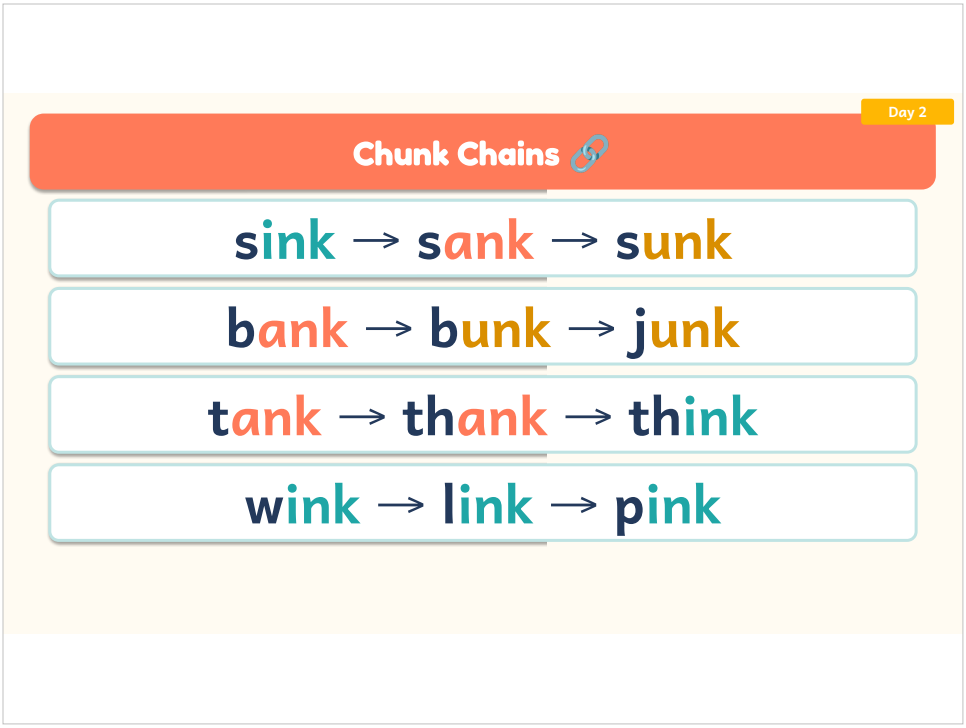

Day 2 · Build & Read. Show this slide while students get ready: booklet (Lesson 3.2 · Day 2), whiteboard, marker, letter tiles.

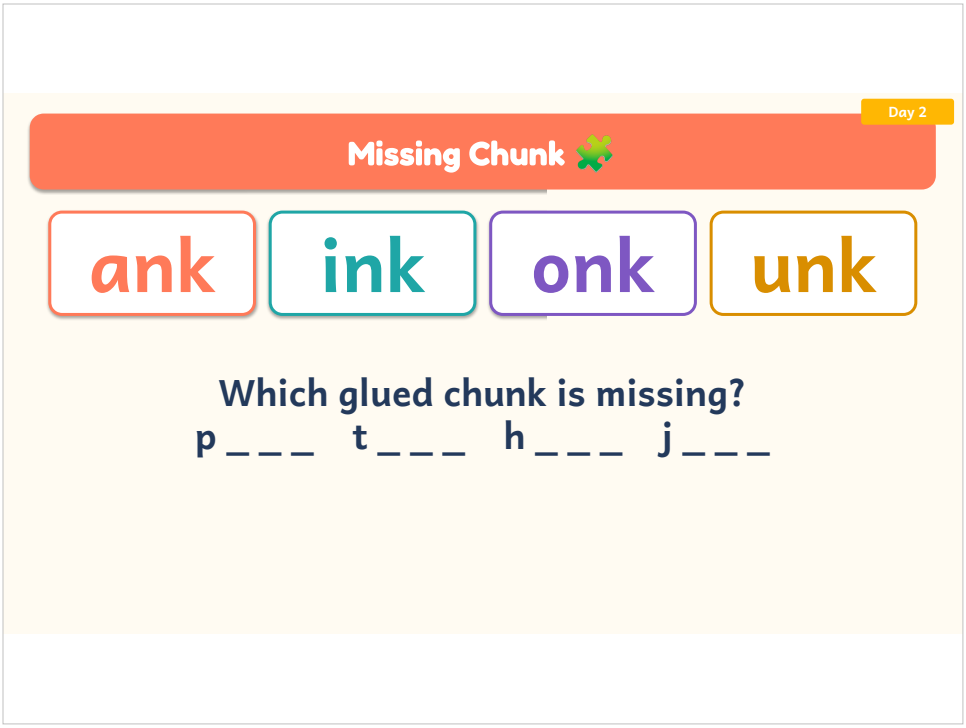

GET READY (1 min). Focus: chunk chains, missing chunk, building words, sorting, phrases and sentences, quick check, then spelling and dictation.
Heart words today: the, a, is, you, I.

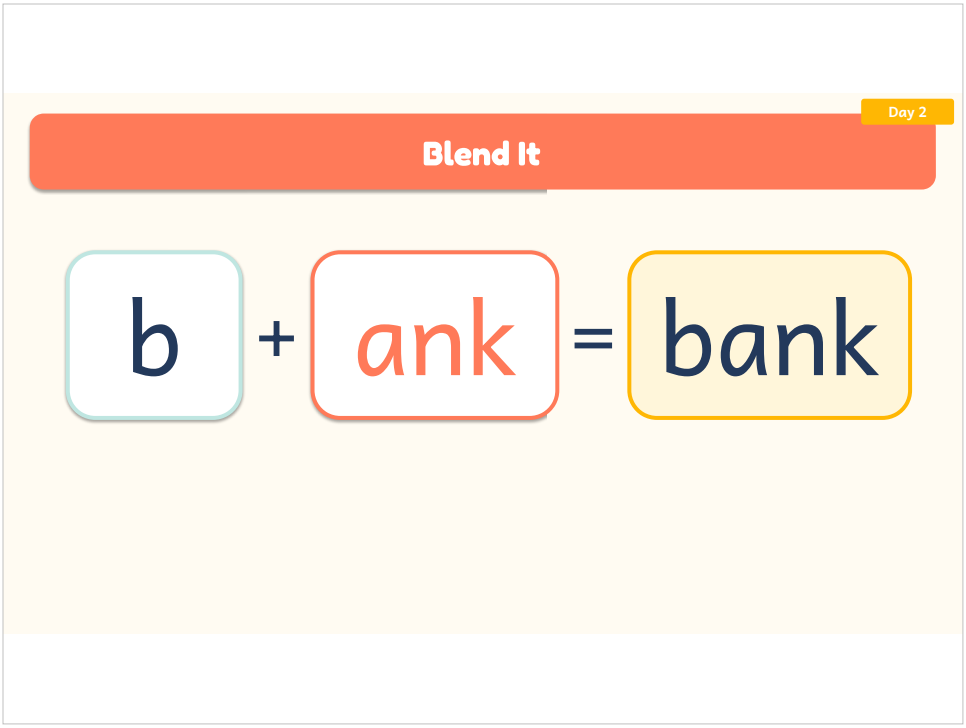

WARM-UP (2 min). Read the four glued chunks, then sink and honk.
WE DO first, then YOU DO with one student per box.
ERROR FIX: 'Vowel first, then nk, glued together.'

Chunk chains (3 min). Change only ONE thing each time.
I DO: 'sink. Change i to a: sank. Change a to u: sunk.' Touch the part that changed.
WE DO: read each chain together and name what changed. Row 3: t to th, then a to i.
YOU DO: partners build one chain with letter tiles.
ERROR FIX: if a child reads the old word again, point to the changed letter: 'What is it now?'

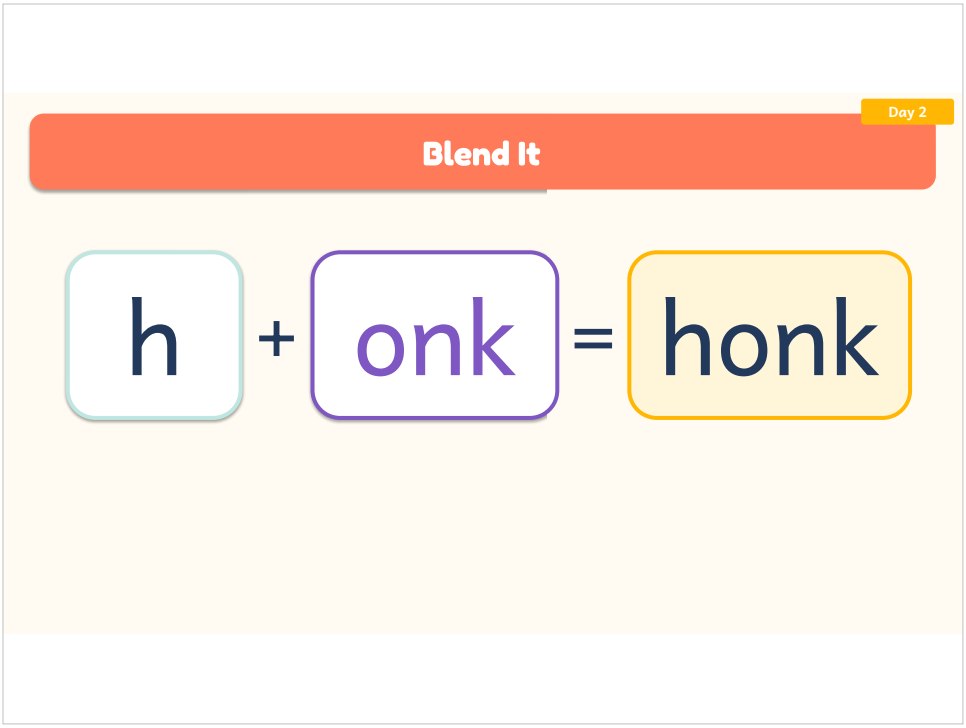

Missing chunk (3 min). I DO: 'I say pink. p ... what is missing? I hear ink.' Point to ink.
WE DO: say tank, honk, junk. Students repeat and point to the missing chunk.
YOU DO: say wink, bank, bunk. Students write only the chunk on whiteboards, then 'Show me!'
ERROR FIX: if they write only n or only k, say 'nk is two letters: n then k.' Re-say the word slowly.

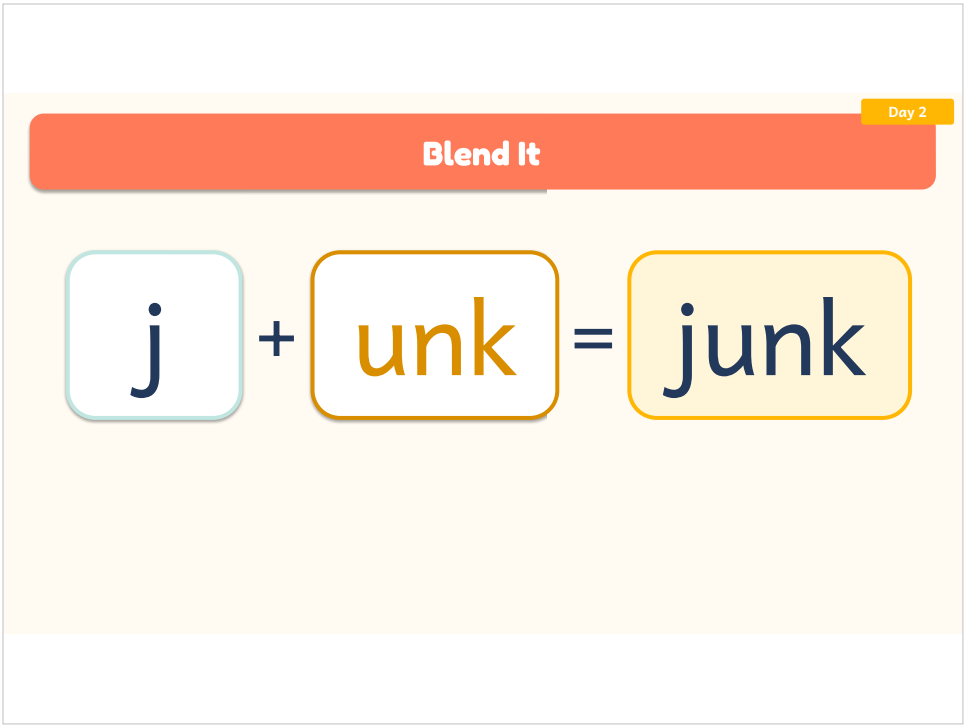

I DO / WE DO · Build words. '/b/ ... ank ... bank!'
BUILD with tiles: keep ank and change the first letter: bank → tank → sank → thank. Students read each new word.

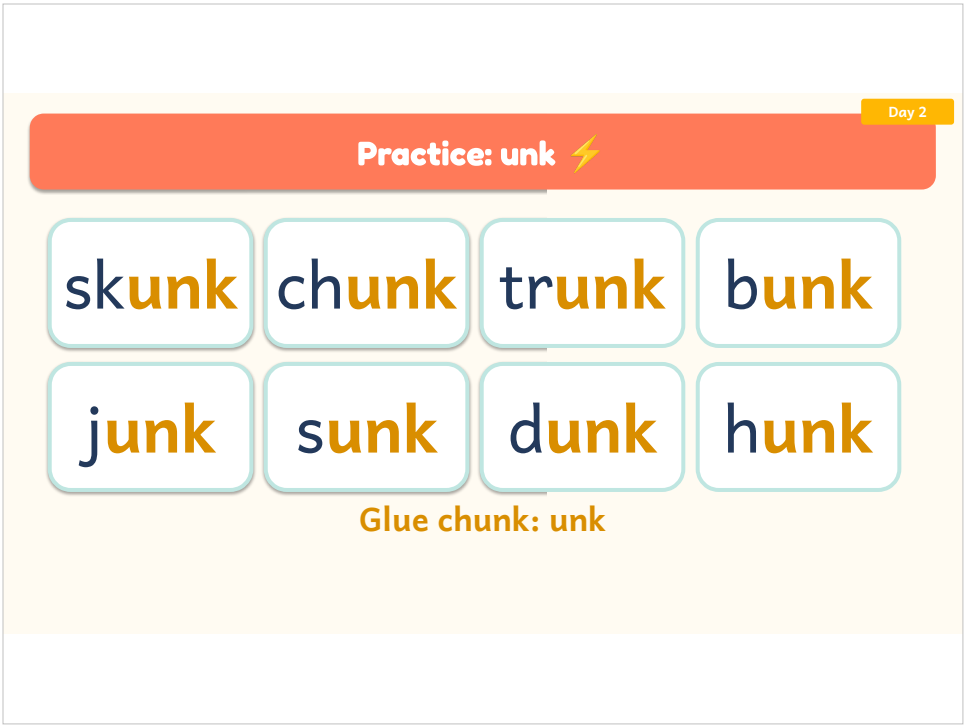

More ank (2 min). WE DO: read each word together. YOU DO: one word each.
Point out blends: dr, bl, pl. Say the blend, then ank.
ERROR FIX: if a child drops a letter in a blend (bank for blank), point to each letter: 'b, l, ank: blank.'

I DO / WE DO · Blend it. '/h/ ... onk ... honk!' Make a honk sound together for fun. ERROR FIX: if they say hunk, point to the o: 'onk.'

I DO / WE DO · Blend it. '/j/ ... unk ... junk!'
BUILD: change j to b (bunk), to s (sunk), to tr (trunk).

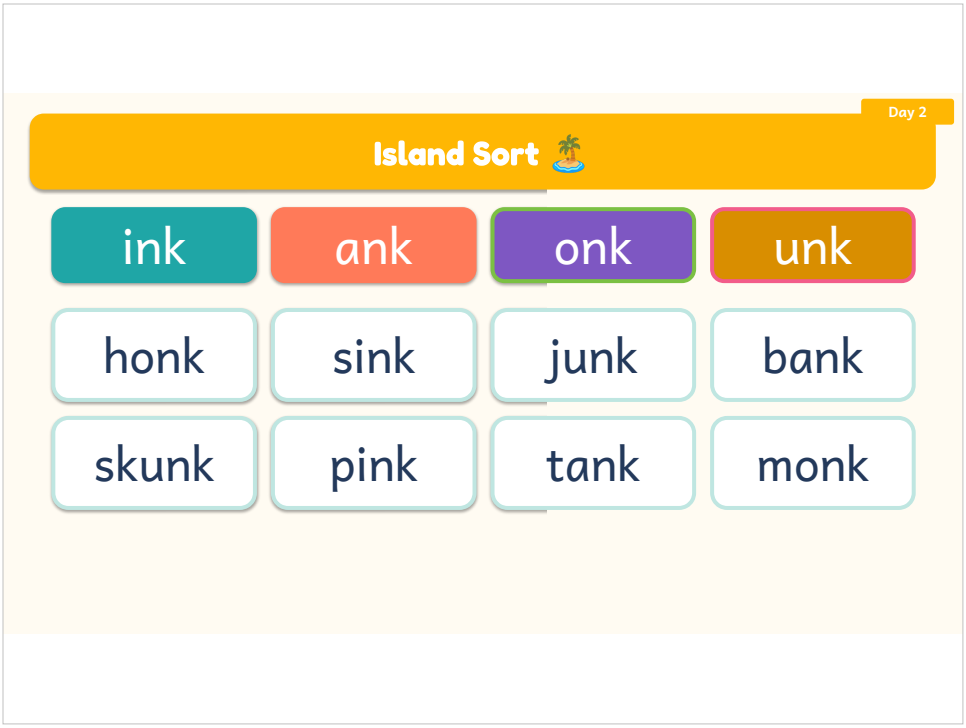

Practice unk (2 min). WE DO then YOU DO. skunk and trunk: blend first. chunk: ch says one sound.
ERROR FIX: point to the u: 'u says /u/: unk.'

Mix it up (2 min). All four chunks are mixed now. Students say the chunk, then read the word.
YOU DO: partner A reads row 1, partner B reads row 2, then swap.
ERROR FIX: vowel first, glued chunk, whole word.

Mix it up again (2 min). Same routine; try a little faster this time.
Praise smooth reading: 'You read it like you talk!'

Island sort (3 min). Students read each word and say which chunk it has. Point or drag the word under its chunk (on paper: sort word cards).
Answers: ink: sink, pink · ank: bank, tank · onk: honk, monk · unk: junk, skunk.
ERROR FIX: 'Look at the vowel in front of nk. That tells you the chunk.'

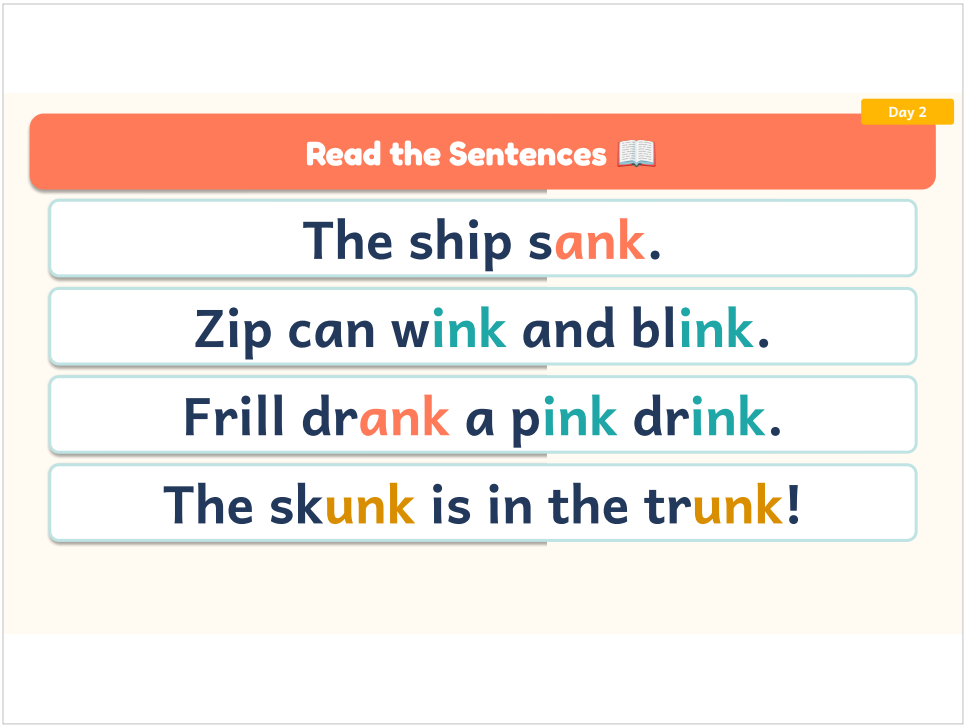

Heart words (2 min): the, a, is, you, I. We see these in today's phrases and sentences.
For each word: SEE IT (point), SAY IT (students echo), SPELL IT (tap each letter), SAY IT AGAIN. Draw a heart over the tricky part. The rest of the word follows the rules.
I and a are one-letter words; s in is says /z/; ou in you.

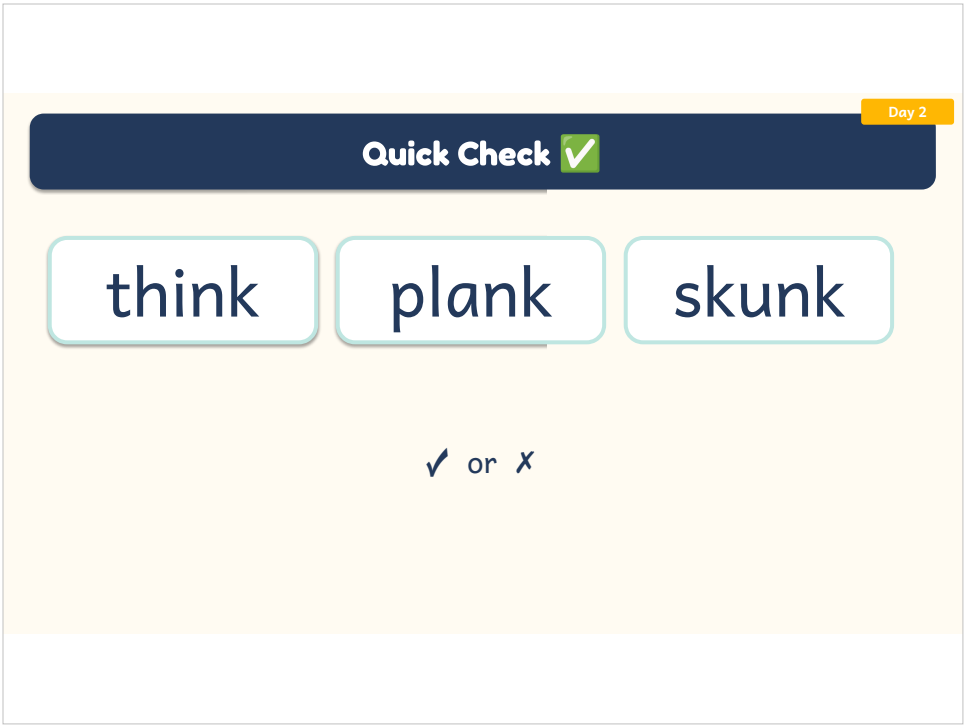

Read it (2 min). I DO: read it once, finger under each word. WE DO: read it together. YOU DO: whisper-read to a partner.
Find the nk words: skunk, plank. Find the heart word: the.

Phrase strips (3 min). I DO: read each phrase smoothly. WE DO: echo read. YOU DO: partners read all four, two times.
ERROR FIX: stop at a missed nk word, read the chunk, then the word, then re-read the whole phrase.

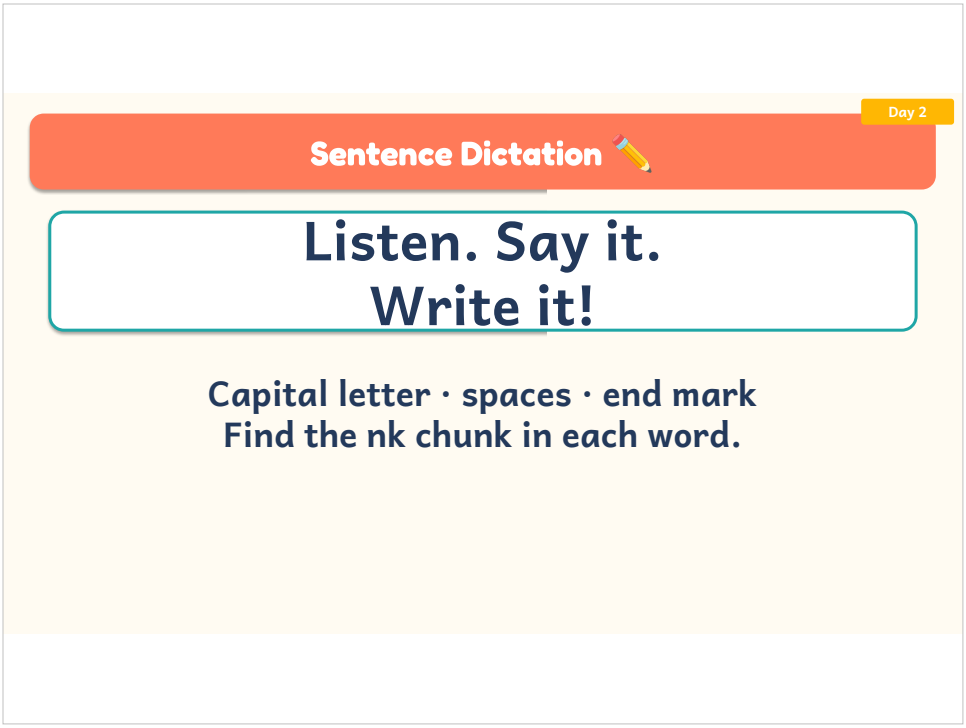

Read the sentences (3 min). I DO: 'I find the glued chunk, then I read like I talk.' WE DO: echo, then choral read.
YOU DO: partners read all four sentences two times.
ERROR FIX: same as phrase strips. Point to the end mark: 'Stop at the dot. Excited voice at the !'

QUICK CHECK (2 min). Call on 3 students, one word each: think, plank, skunk. Mark ✓ or ✗ on your record sheet.
If a student misses, prompt 'Find the glued chunk first' and re-read. Note who needs more practice before spelling.

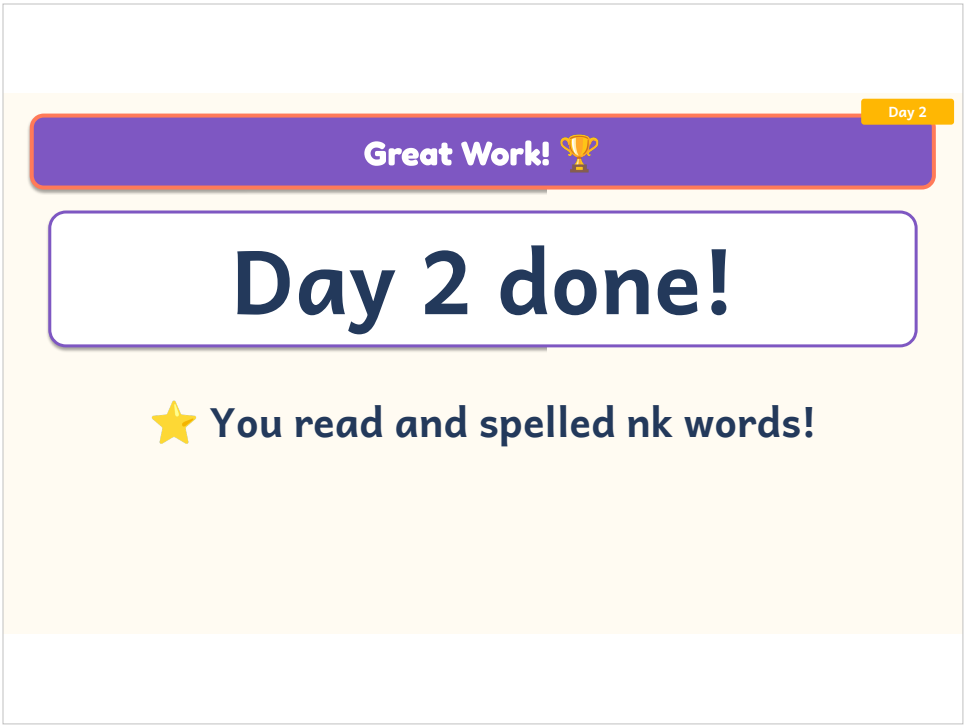

SPELL IT (5 min) · Word dictation. Students struggled with spelling in ng, so go slow and use the same steps every time.
Words: 1 sink 2 bank 3 honk 4 junk. Bonus: think, plank, trunk, drink.
Steps: I SAY the word. YOU SAY it. TAP the sounds (s ... ink). WRITE it. CHECK it with my model.
The chunk boxes stay on the screen as a helper.
ERROR FIX: if a child writes 'sik' or 'sinc', say 'Hum it: the hum is n, the click is k. nk.' Show the chunk card, then rewrite.

SENTENCE DICTATION (4 min). Say each sentence 2 times. Students repeat it, count the words on their fingers, then write.
Sentence 1: I think the ship sank. Sentence 2: The skunk is in the trunk.
CHECK together: capital letter, spaces between words, end mark, nk spelled n-k.
ERROR FIX: model one word at a time on the board; students fix with a check mark, not an eraser.

PRACTICE ON YOUR OWN (5-8 min).
Students open the student booklet: Lesson 3.2 · Day 2.
Walk the room. Remind them: find the chunk first, go slow, check your work, ask for help.

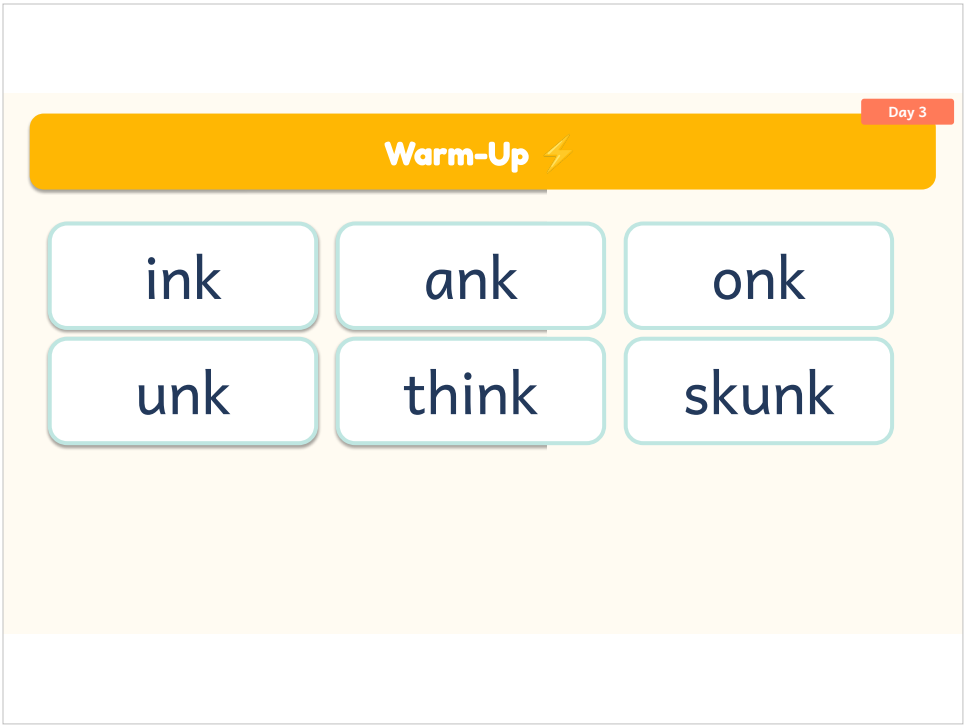

GREAT WORK (1 min). SAY: 'You built, read and spelled nk words today!' Name a real effort you saw.

Day 3 · Story & Celebrate. Show this slide while students get ready: booklet (Lesson 3.2 · Day 3), check page, record sheet.

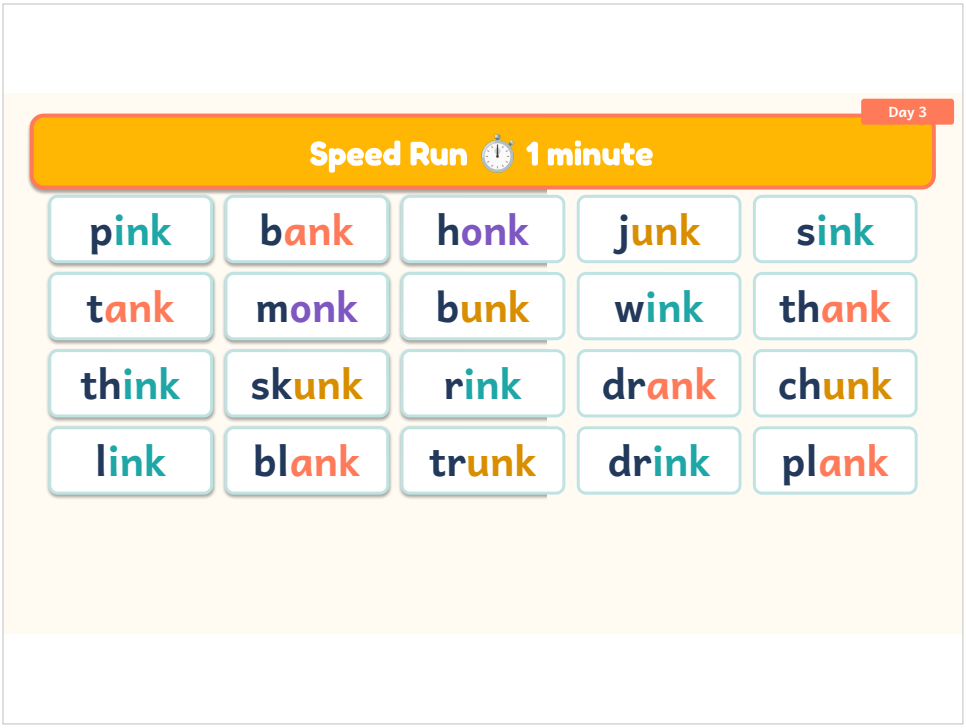

GET READY (1 min). Focus: warm-up, speed run, heart and story words, read the 3-part comic, re-read, 10-word check, celebrate.

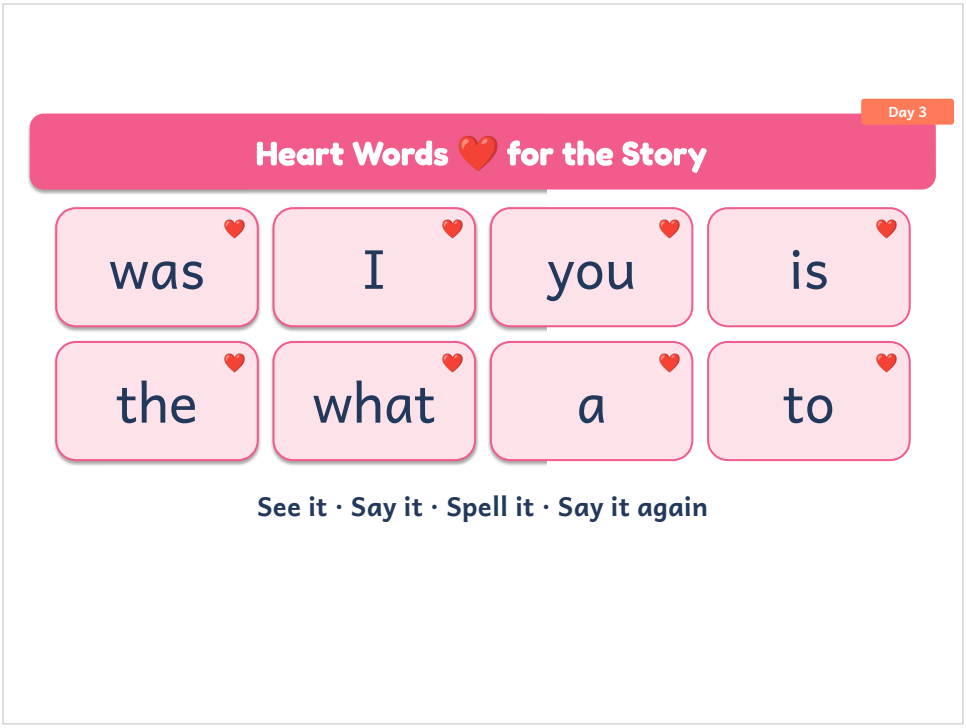

WARM-UP (2 min). Read the four chunks, then think and skunk. WE DO, then YOU DO. ERROR FIX: 'Vowel first, then nk.'

Mix it up (2 min). Students say the chunk, then read the word. Partners take turns by row. ERROR FIX: tap the vowel, say the chunk, re-blend.

SPEED RUN (1 minute). Partners: one reads, one points and counts. Start the timer. Read across each row. If you finish, start again. Then swap. Count words read correctly; try to beat your own score (not a partner's). ERROR FIX: the partner points to the chunk; the reader tries again, then keeps going.

Heart words for the story (2 min): I, a, the, is, what, you, was, to.
For each word: SEE IT (point), SAY IT (students echo), SPELL IT (tap each letter), SAY IT AGAIN. Draw a heart over the tricky part. The rest of the word follows the rules.
Quick review: these are the same heart words from Days 1 and 2. No new ones today.

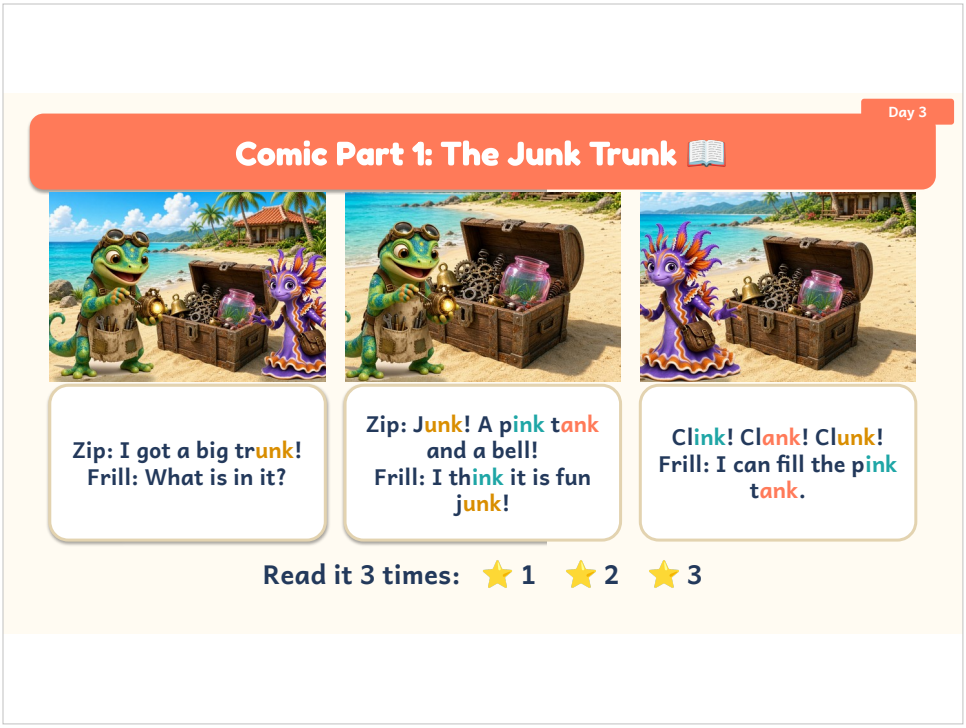

Story words (2 min). These nk words are in today's comic. WE DO: read each one together. YOU DO: one word each. ERROR FIX: find the glued chunk first, then the front sounds.

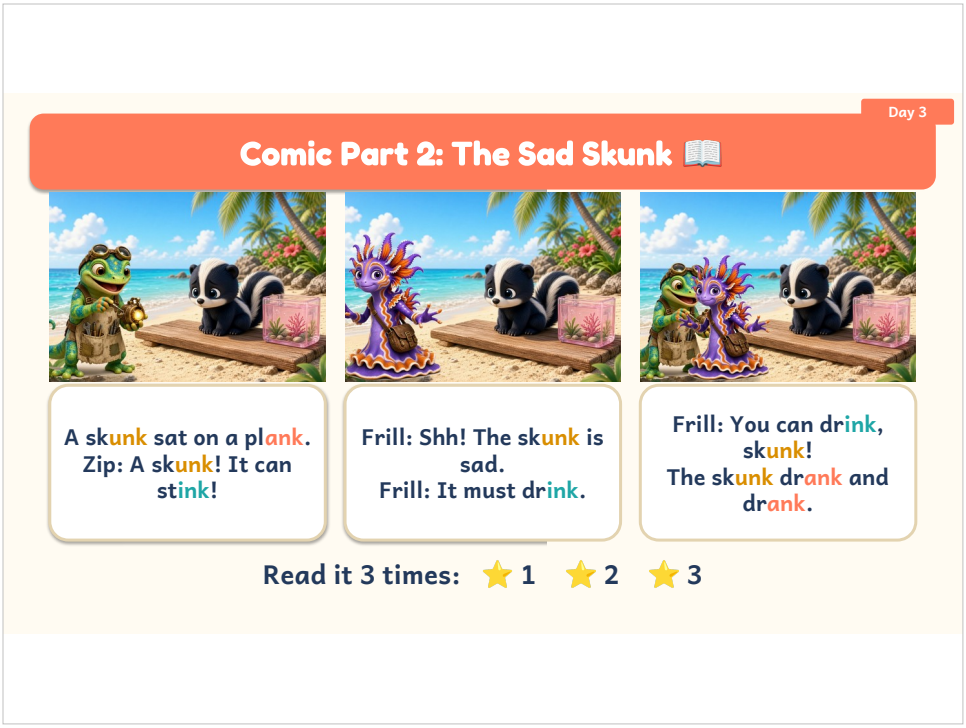

Story phrases (2 min). Echo read, then choral read. These phrases are in the story.
ERROR FIX: stop at the missed word, read the chunk, re-read the phrase.

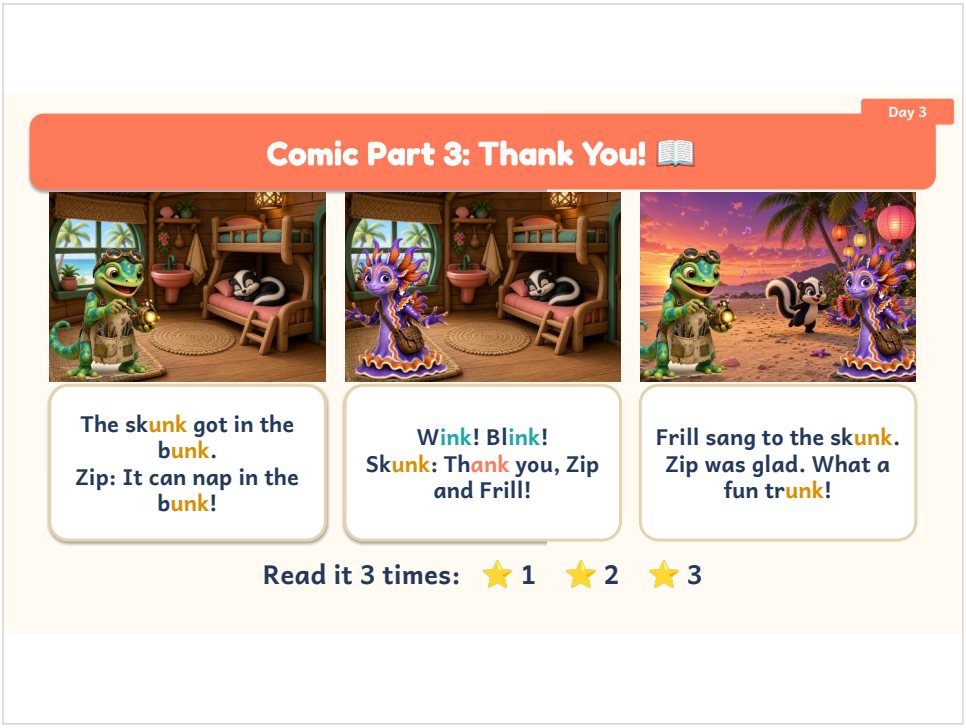

Story peek (1 min). Read the question together: 'What is in the trunk?'
Ask students to guess from the picture. 'Let's read and find out!'

Comic Part 1 (3 min). I DO: read each panel, finger under the words. WE DO: echo read. YOU DO: partners read; one is Zip, one is Frill. Color a star after each read.
Talk: What is in the trunk? (junk, a pink tank, a bell).
ERROR FIX: point to the chunk in the missed word, read the word, re-read the sentence.

Comic Part 2 (3 min). Same routine: I DO, WE DO, YOU DO with parts.
Talk: Why is the skunk sad? What does Frill do to help? (Frill gives it a drink.)
Kind voice for Frill, surprised voice for Zip.

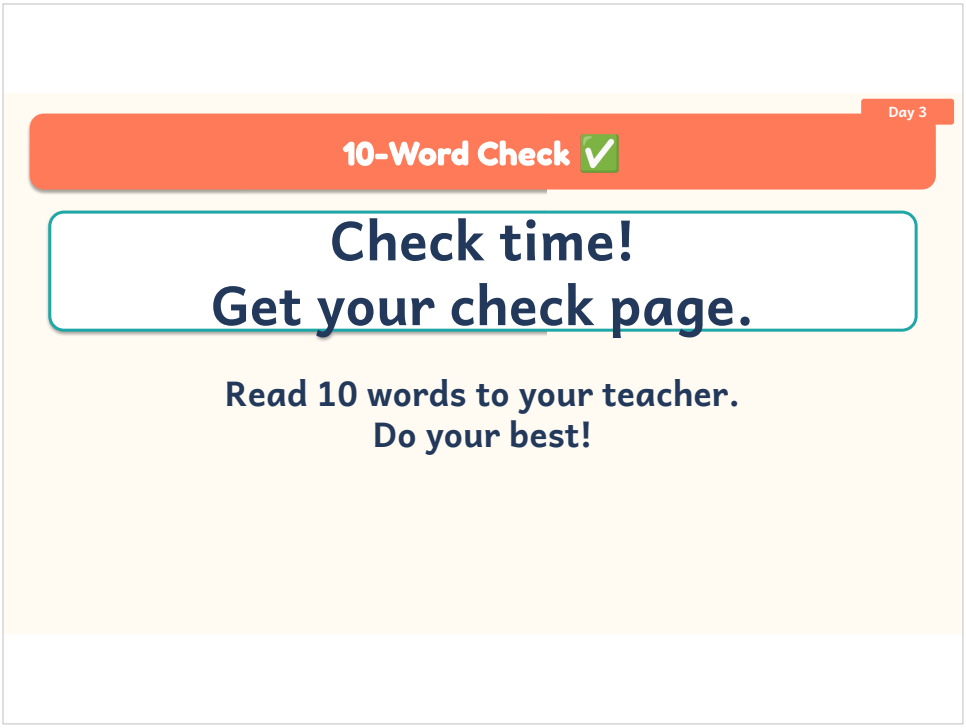

Comic Part 3 (3 min). Same routine.
Talk: How does the skunk say thank you? How does Zip feel at the end? (glad).
ERROR FIX: same steps; praise smooth reading.

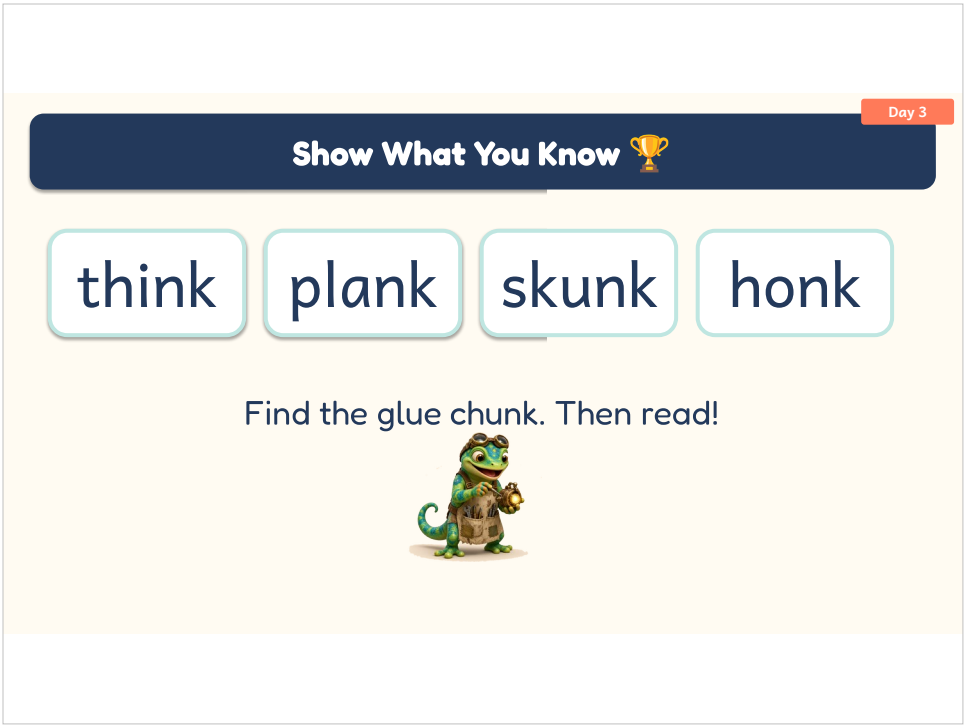

RE-READ the whole story (4 min). Go back to Parts 1-3. Choral read once, then partners re-read and swap parts.
Listen for smooth reading of nk words.
ERROR FIX: point to the chunk, student reads the word, then re-reads the sentence.

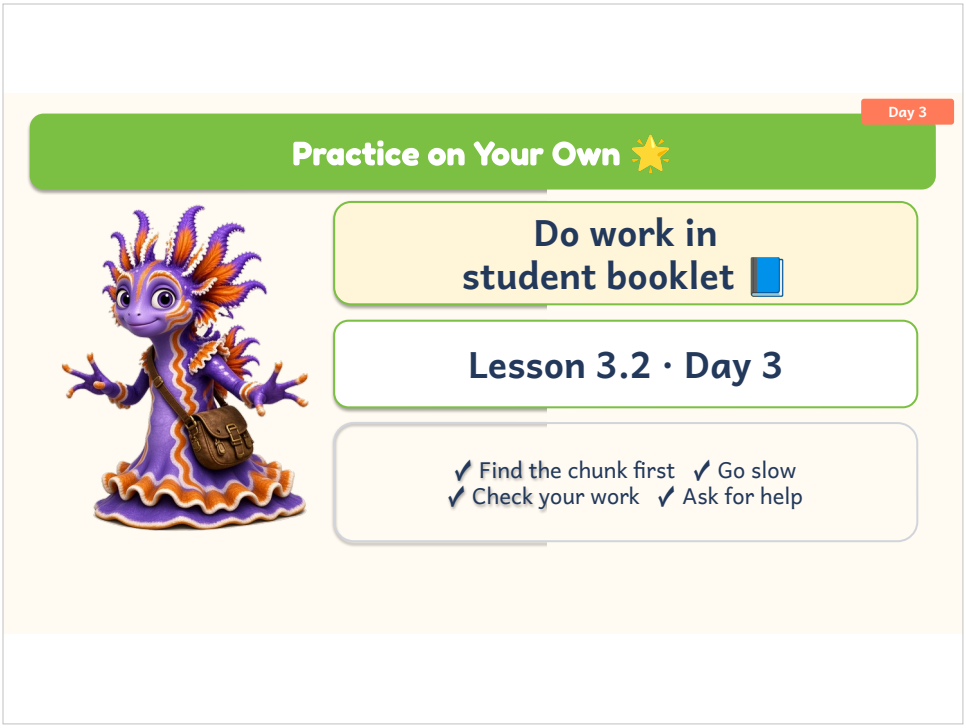

Read like a storyteller (2 min). These lines are from the story. Model expression: loud and fun for 'Clink! Clank! Clunk!', kind for 'Thank you'. WE DO: echo read with expression. YOU DO: partners read with expression.

10-WORD CHECK. One-to-one: student reads each word; mark ✓ or ✗. No hints.
Words: 1 pink 2 bank 3 honk 4 junk 5 think 6 plank 7 skunk 8 drink 9 thank 10 trunk.
SCORE: 9-10 = ready for the next lesson. 7-8 = review with the Day 2 slides. 6 or below = re-teach Day 1 in a small group.
The rest of the class re-reads the story with partners.

SHOW WHAT YOU KNOW (2 min). Whole group: students read each word, then tell a partner the glued chunk (ink, ank, unk, onk). Celebrate every try: 'You found the chunk!'

PRACTICE ON YOUR OWN (5-8 min).
Students open the student booklet: Lesson 3.2 · Day 3.
Finish the 10-word check with any students you have not heard yet.

CELEBRATE (1 min). SAY: 'Lesson 3.2 is done! You can read and spell nk words.' Name the effort, not the score: 'You kept trying, and you found the glued chunk every time!'
